— Thank you for being here & your
continuing assistance in
this most difficult
endeavor.

— FEEDBACK ~~Similar Report~~

3 Aug. Feedback from [redacted]
reveals receipt of similar
report by CI team personnel:

+ Difficulty identifying carrier

+ Eastern Eastern D.

+ Refinement to name of airline

+ Further info

— Check the checkers of the Gate
disguised

— Security Guards

longer than —

— Mountain Navy Blue Red set

Time

(3)

Runway → T

- Propeller + fuselage - (if looking for bomb)
- highly vulnerable pt.

Athen Greece ~~1115~~ 1150
1045 E.S.T.

Aug 5

(Jettai-Center)

Interior of aircraft shell

subsidary

Eventually Parker

CI Team already known as

Dealership
Shell - name of Gas Company
~~American~~

Shell provides gasoline
for carrier here -

Shell dealer -

refuel -

Place
Treat shell -

Metal - Detector →

some of
brown - dressed like a person

②
The shell -

Place to refuel
 carrier

- Treat Shell + Truck -
 as separate issues
 Area of interest where
~~Cops~~
 checkers at metal detectors

Same Brown

terrorist dressed like Security Guards

from runway - propeller +
 fuselage is place where
 they might blow up -

check propeller + fuselage -
 for Bombs -

Athen Greece

11:50 = 10:45 Eastern

E.S.T - time frame when
 everything should be checked

Aug 5

now it all comes
~~out~~!

① Highjacking

Words

check checker at the gate -
not really checkers - disguised

Athens - yes.

these men are not security guards
longer hair

navy blue pickup truck
open in back

driving upwards toward
mountains - dust flying

Shell is the name
of the gas company

Truck is American pickup
Shell dealership

Shell provides the
gasoline for carrier here

go to shell dealer at airport

③

check propeller

interior of air craft

go to Shell subsidiary area

check

a whole infiltration of terrorist

Eastern eventually

do not be concerned with
an craft

many checks

Long hair

maybe thinner & smaller

they carry clubs & billy

clubs
